"Two weeks and I haven't received one letter! The people at the APO must be giving my mail to the Salvation Army. What do they do at the APO, pass out mail alphabetically by last name? Ten days I got nothing, and today I got all this. Some mail service."

These and other expressions are common in military life but what these people don't realize is that if the APO doesn't know where your people are, they can't get mail to them. The solution to this problem is DD Form 1175 (Locator Card).

Unit postal officers should insure that their unit mail clerk has a number of these forms on hand for their people. And, next time he hears his people complain about mail service, he should tell them about locator cards.

These locator cards can also be used to notify publishers of their address. They don't even have to write a letter or lick a stamp! They simply fill out a card and drop it in the box and wait and see how much faster they receive mail.

Upon arrival, all newly assigned personnel should complete DD Form 1175 and if you know when you're leaving Berlin and know your new address, use these cards to notify publishers of the future change. It will help the mail get to you faster.

Memorial Day

Memorial Day, Monday, May 31, will be observed as a holiday by U. S. Forces in Berlin. Scheduled training will be suspended and only necessary guard detail, special activities and minimum essential operations will be maintained.

All national flags will be displayed at half staff from reveille to noon on May 31.

A Memorial Day Chapel Service will be conducted on May 31 at 11:30 a.m. in Andrews Chapel. A wall plaque will be unveiled in memory of soldiers who have served as members of the Berlin Brigade and who have given their lives for our nation.

USAREUR General To Speak To AUSA

FRANKFURT — Lieutenant General Arthur S. Collins Jr., commander-in-chief of USAREUR and 7th Army, will deliver the keynote address at the annual meeting of the European Department of the Association of the United States Army to be held June 1-3 in Garmisch.

Collins will speak at the John J. Pershing Memorial Dinner on the evening of the convention's final day, according to officials for the meeting's host chapter, the 3rd Armored Division.

The Spearhead Chapter also announced that Lieutenant General Willard Pearson, commanding general of V Corps, will be the guest speaker at the initial business caucus on the afternoon of the opening day.

The affair will draw delegates and convention goers from nearly 9,000 AUSA members throughout Europe for three days of business sessions, committee and workshop meetings.

German-American Week Begins Monday At TAR

Monday marks the beginning of a very special week at Thomas A. Roberts Elementary School. May 24-28 has been set as the second annual German-American Week at the school and a wide variety of assemblies and activities have been planned for the occasion.

According to a representative of the school, the purpose of the activities is to "further students' awareness of living in a foreign country and to aid them in meeting German students of the same age."

Some of the projects which have been initiated at the school include: decoration of halls and main lobby with students' art work on Germany; a school-wide contest for students to apply their knowledge of Germany; a German lunch, featuring a typical German meal complete with German cool drinks; and a display of artwork in the gymnasium, collected from German elementary schools in the Zehlendorf area.

German-American Week at the elementary school will start with the opening of the art exhibition featuring works by German students who will be present to explain them.

On Tuesday, joint German-American outdoor sports activities will be held. Teams from several schools will compete in obstacle races, ball throwing contests and the like. Prizes will be awarded to the winners

and keg lemonade will be served to the contestants.

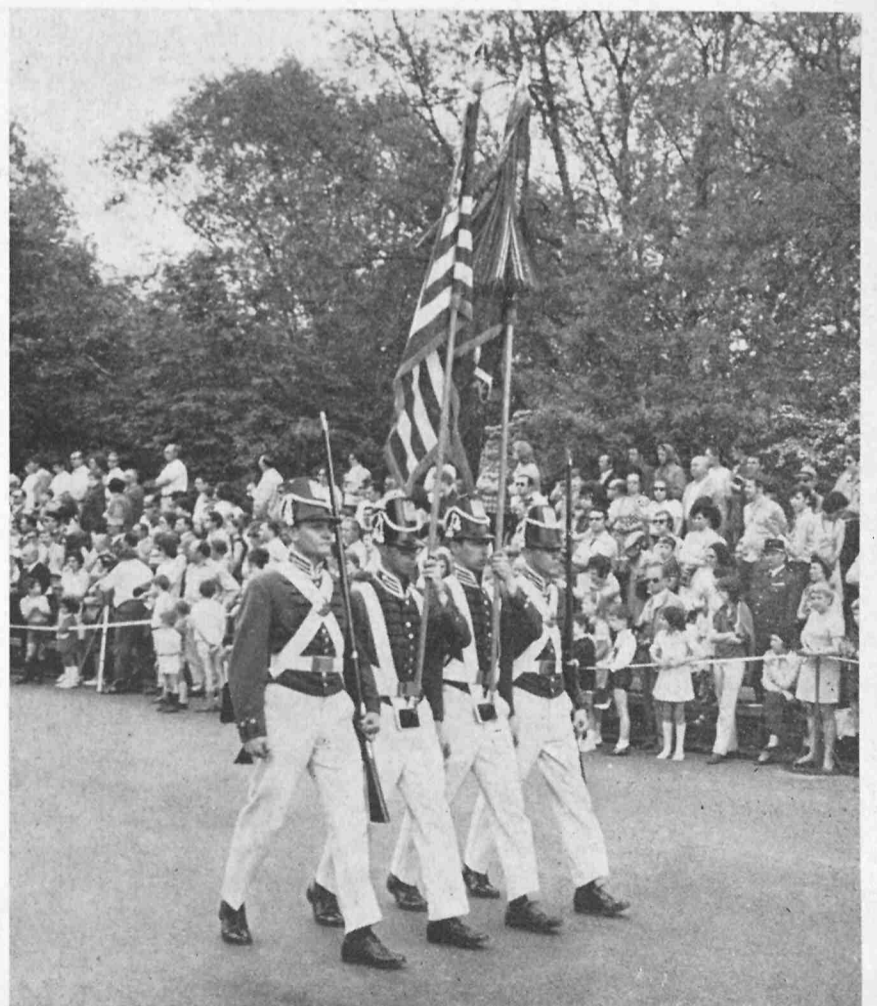

On Wednesday, a multi-media play will be presented by American students. The play, in German and featuring German songs, is titled, "What A Crazy Day in the Classroom!"

Thursday's activities will be highlighted by a quiz program in which four American students will compete against four German students in a confrontation to test their academic abilities.

EES Holiday '71 Travel Guide Now Available Free of Charge

MUNICH (EES) — You can put IT in your coat pocket, purse, glove compartment or luggage. IT is shaped and tailored for every American military traveler. IT is "Holiday '71," the new edition of the European Exchange System (EES) Travel Guide.

IT is always a fast-moving item for today's fast-moving traveler. IT is free of charge and available at all EES service stations, POL counters and auto parts stores.

Thoroughly updated, the new guide maintains a link with the past through its colorful cover, which is designed to suggest early 20th Century means of transportation (an airship, trolley car and automobile) to a tourist resort.

Today's travelers in Europe have many other choices of getting to the attractions in the guide's featured countries of Austria, the Benelux nations, France, Germany, Greece, Italy, Spain, Turkey and the United Kingdom. Holiday '71 centers on travel by automobile and includes helpful sections on locations of all EES service stations, gasoline coupon sales outlets, telephone numbers for obtaining wrecker service information in Germany, automotive check lists and other driving tips.

The EES travel guide is the only publication of its kind for the military traveler. Holiday '71 lists not

only all German autobahn and border Esso stations but also provides the traveler with a complete listing of all EES activities in the system—a boon for the tourist who wants to plot a trip allowing him to use EES services along the way.

New this year in Holiday '71 are:

- A chart showing the voltage and cycles of electricity in European countries.
- Telephone numbers in the section on EES service stations in Germany that stranded motorists can call to obtain wrecker service information.

- Hunting, fishing and camping information for Germany.

- A complete listing of locations and telephone numbers of all U. S. embassies and consulates for the countries in the guide.

- 1971 currency and customs facts and figures.

- Addresses of national tourist offices in Denmark, Finland, Norway, Sweden, Wales and Northern Ireland. Expansion of this section gives the traveler a total of 18 names and address of official governmental tourist offices where he can obtain free information on hotels, tourist attractions, maps and other travel aids.

In addition to giving travel guide readers the tourist offices as a means of obtaining hotel reservations, Holi-

day '71 lists civilian hotels that have agreed to offer special rates to serviceman and their families upon presentation of leave orders and an I.D. card.

Military-operated transient hotels, Armed Forces recreation centers and USO agencies are noted, when available, in each country.

For on-the-road facts, the 1971 travel guide has mileage and speed conversion charts, a European mileage log for 17 cities, a selection of essential German and international road signs, facts on what to expect when crossing frontiers and information on emergency aid for travelers who are stranded or injured. Also included is a section of military police and security police emergency telephone numbers.

EES has packed a wealth of facts into the 72 pages of the travel guide to help all readers have a successful Holiday '71.

Travel Seekers Beware

The summer months usually bring an increase in thefts, according to a military police spokesman here.

Thieves find warm weather and the vacation period very lucrative, mainly because vehicle operators fail to close their car windows and lock the doors even though valuables may be left inside. At the same time, luggage is often left unattended in transportation terminals or onboard trains.

Police point out that travelers should protect their valuables at all times, giving particular emphasis to automatic security. The following precautions should be taken before leaving a car unattended:

- Lock the steering wheel and remove the key.
- Close the windows and lock the doors.
- Remove valuables from the vehicle. When it is necessary to leave items in the automobile, lock them in the trunk where they are not in sight.
- Park in well lighted areas during the hours of darkness.

At the same time, pleasant weather seems to bring with it an increase in burglaries of residences, in both the housing areas and in the barracks.

According to military police sources, barracks thefts are caused mainly by the occupant leaving either his foot or wall locker open or failing to lock the room itself. Wallets, watches, stereo equipment and the like are high on the list of stolen property.

Barracks personnel are advised by the police not to leave anything unlocked, even for a minute or two. Most stolen items are virtually untraceable, since, in the case of stolen stereo equipment, serial numbers are almost never noted by the owner.

Housing area occupants are susceptible to burglary when they leave their apartment for an evening and fail to lock either the downstairs door or the apartment door. Cases have been reported wherein occupants have failed to lock either door, thereby leaving their apartment open to thieves.

Four Pop Concerts Scheduled Here During Next Two Weeks

by Steve Reisler

The next two weeks are likely to be the busiest and most expensive period for Berlin pop concert fans since late summer 1970. During these upcoming 14 days, the city will be visited by Joe Frazier's "Knockouts," "Deep Purple," "Pink Floyd" and "Chicago." "Deep Purple" is playing tonight at the Deutschlandhalle and the odds are good that the group will perform admirably. I have already seen "D.P." on another occasion so, while I must admit they put on quite a show, I will not be in attendance this time.

June 4 presents a problem for some rock enthusiasts, for on that day there will be two conflicting concerts: one by the much-lauded and world renowned "Chicago" in the Deutschlandhalle, and another one in the Sportpalast by the only mildly popular "Pink Floyd." The choice is, at first glance, a simple decision — most people will elect to see the super-group. If you are, however, of an opinion similar to mine, you will choose to purchase tickets to the lesser program, mainly because moderately well-known groups are often superior on-stage to their towering rivals, and, as evidenced by the "Umma Gumma" double album, "Pink Floyd" is noted for having a live delivery that is unparalleled by anyone else. But it's your bread, blow it anyway you like.

Afro Haircuts To Be Taught

MUNICH (EES) — Willie Lee Morrow is back.

The leading black hair stylist-author, who last year trained European Exchange System (EES) barbers and beauticians throughout Europe, is making a return visit to Berlin on June 4.

As part of a month-long swing through EES, Morrow will conduct follow-up training sessions at the shopping center barber shop and beauty salon. All Berlin Brigade barbers will be given the training from 9 a.m.-noon, using models selected from the American Community.

In the afternoon, Morrow will conduct a session with beauty salon operators. Naturally, all brigade barber shops will be closed in the morning and beauty salons in the afternoon on June 4.

Since Morrow's last trip to Europe he has also trained exchange barbers and beauticians in the Pacific area, Panama, Puerto Rico, Alaska and in CONUS, traveling 60,000 miles in the process. Morrow's training workshops are part of the exchange's continuing program to upgrade and improve services to the customer. Barber sessions will cover special techniques for cutting curly hair, the male military (Afro) cut and boys' haircuts.

In the beauty area, training will cover ladies hair straightening, haircut and style, permanent wave and wig styling.

School of Drama, Southern Methodist University, U. S. International University, School of the Performing Arts, etc.

VA Mobile Home Loans

WASHINGTON (VA) — The Veterans Administration has announced standards for its mobile home program which guarantees up to 30 per cent of loans — up to a maximum of \$10,000 for mobile homes or up to \$17,500 is the loan is also for a fully developed lot.

The mobile home program was established by PL 91-506 and VA has prescribed regulations to govern such items as mobile home sites, constructor's warranties.

The new law empowers VA Admition standards and written manufacturer Donald E. Johnson to set interest rates at levels to insure adequate capital for mobile home loans made by lending institutions. He set the interest rate at 10.75 per cent. The interest rate for money used to purchase a lot and to make improvements was set at seven per cent.

Applicants should obtain their certificates of eligibility from the nearest VA regional office, find a mobile home they like and which meets VA standards, settle details for rental or purchase of a mobile home lot and then apply to a lender for a loan.

Veterans and servicemen with at least 181 days of active service after January 31, 1955 are eligible for mobile home loans as are veterans of World War II and the Korean Conflict who served more than 90 days, provided they have not previously used their home loan benefit.

So are veterans discharged for service-connected disabilities, regardless of length of service, widows of eligible veterans and wives of members of the Armed Forces missing in action or prisoners of war for more than 90 days.

Bears Send Pathfinders Down Road to Defeat

Steve Bunker lost his no-hit bid but the Berlin Bears won everything else last weekend as they swept a three-game series from the 8th Infantry Division Pathfinders in the final preseason series of the year.

The wins stretched the Bears' winning streak to five straight as they finished the exhibition season with a 7-4 record. Berlin will open defense of its USAREUR title this weekend in a three-game set at Frankfurt against the 3rd Armored Division.

For the Pathfinders, it was a weekend of continual frustrations as every path they took turned out to be a deadend. The only bright spot for the Infantrymen was when Ron McBride lined a single up the middle with two out in the ninth inning Saturday to break up Bunker's no-hitter.

One-Hit Shutout

Steve ended up with a one-hit shutout, winning 8-0, after the Bears had taken the first game of the doubleheader, 3-2 in 13 innings, scoring the winning run on a wild pitch.

In Sunday's single game, the Pathfinders snatched defeat from the jaws of victory as a two-out error in the bottom of the ninth allowed Berlin to tie the game and a defensive lapse in the 14th set up the winning run.

In the first game of the series, Wayne Gollaher struck out 10 men through 10 innings before giving way to Barney Caulfield with the score knotted, 2-2. Caulfield shut out the Infantrymen the next two innings and picked up the win when the Bears pushed across an unearned run in the 13th.

Wild Pitch

Greg Hildebrand led off the inning with a walk and raced to third when Bill Henry threw wildly to first on

Dan Burns' sacrifice bunt. Coach Gene Stephenson then signaled for a squeeze play to score the run but Glen Chapple never got a chance to lay down the bunt as Henry made a wild pitch and Hildebrand slid home with the winning tally.

In the second game, Bunker handcuffed the Pathfinders for eight innings as he struck out 12 and walked only one before McBride spoiled his no-hit bid with his last-minute single.

The Bears gave Steve plenty of support as Chapple went three for four and Willie Harper collected a pair of hits and two RBIs to build up the final 8-0 margin.

Fast Start

Berlin started off Sunday as if it was going to be another rout. Stephenson poled a two-run homer in the first inning and Bob Wallis held 8th Infantry to only a single run through the first six innings.

But the Bears, despite many scoring threats, hit a scoreless streak and Dan Medina's solo homer in the seventh for the Pathfinders tied the score, 2-2.

Tankers Split

HANAU (Special) — The 3rd Armored Division, Berlin's opening opponent in the 1971 USAREUR League, ended their exhibition season Sunday by splitting a doubleheader with the V Corps Guardians, 2-3 and 3-1.

The Spearheaders dropped the first game of the series Saturday, 5-2. Third Armored dropped three of four games to the Bears the week before in Berlin, giving them a 2-5 record over the last two weeks of preseason play.

In the eighth, McBride snapped the tie with a run-scoring double to put the Infantrymen on top, 3-2.

Scott Frymire led off the ninth for Berlin with a single and moved around to third base with two out but it looked like he was going to die there when Dan Burns grounded to shortstop Bob Kuykendall.

Extra Innings

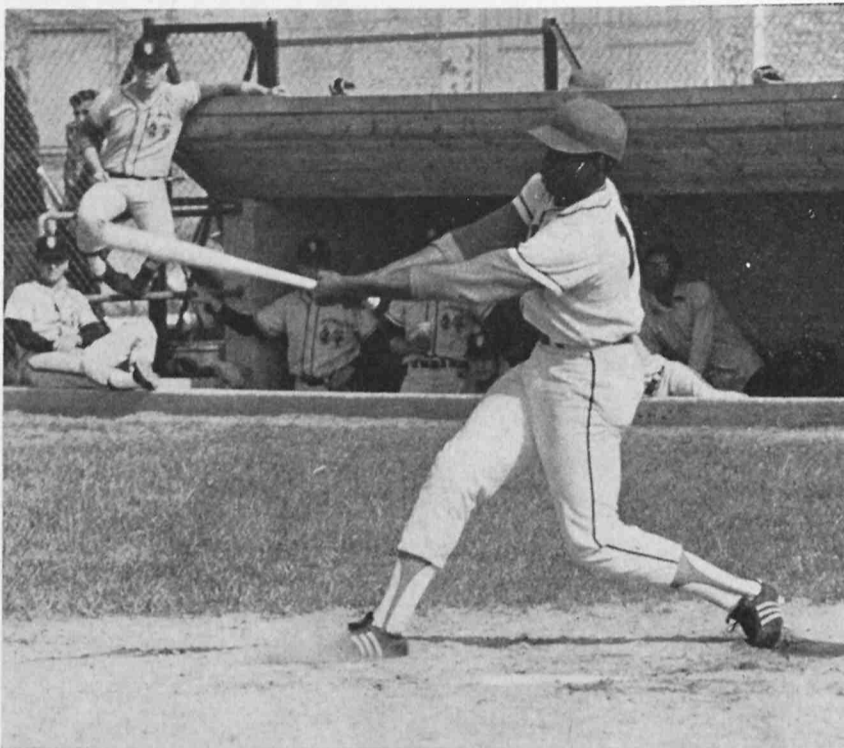

But Kuykendall threw the ball in the dirt and Frymire scored to send the game into extra innings.

Both teams blew numerous scoring opportunities in the next four innings with the clutch relief pitching of Caulfield saving the Bears. The game was finally decided in the 14th when catcher Dan Newman led

off for Berlin with a double.

Newman was able to steal third when Kuykendall failed to cover the base on an attempted bunt and, with two outs, he scored on Greg Parker's short single to center.

Caulfield picked up the win, his second in the series, running his record to 3-0.

ANOTHER HIT FOR WILLIE — Bears' centerfielder Willie Harper slams one of his two hits in Saturday's second game against the 8th Infantry Division. Harper drove in two runs as Berlin won, 8-0.

PUTTING ON THE BRAKES — Steve Bunker holds up after rounding third in the 11th inning of Sunday's game. Steve was thrown out trying to score on the next play but Berlin went on to win the game, 4-3, in the 14th inning.

Jets' Crane To Speak Here

Paul Crane, linebacker and center for the New York Jets, will be in Berlin Monday and Tuesday on a speaking tour for the Fellowship of Christian Athletes (FCA). Paul's message should be of great interest to all.

Paul played football with the University of Alabama. He was a three-year starter as center and linebacker and was consensus All-American his senior year as a 195-pound center.

He played in the Sugar Bowl, two Orange Bowls and the Senior Bowl game. The Alabama Crimson Tide was voted national champions by the Associated Press during his junior and senior years (1964-65).

Because of his size, 6-2 and 195 pounds he was not drafted by a pro team but was picked up by the Jets as a free agent and has

played regularly for five years.

He was Southeastern Conference Lineman of the Year his senior season and has been the AFL's Player of the Week three times.

He has also played two years in college with Joe Namath and five years with him on the Jets. Paul was a member of the Jets when they defeated the Baltimore Colts in the 1968 Super Bowl game.

While at Alabama, Paul helped to organize the Fellowship of Christian Athletes on campus and it has grown to be one of the most active in the nation. While in college and as a pro he is in much demand as a speaker. During the off season last year he worked full time with the FCA.

Paul will be speaking at McNair Service Club Monday at 7:30 p.m. He will also show a film, "New York Jets' Highlites."

The McKenzie Break German Side of POW Camps

THE MCKENZIE BREAK — A group of prisoners of war defy their captors and tunnel toward freedom in the tradition of THE GREAT ESCAPE. But this time the prisoners are German U-boat commanders, ruthless and ready to risk everything to get into the last ditch fight to strangle Allied shipping in the Atlantic. Starring Brian Keith and Helmut Griem.

BROTHERLY LOVE — Lord Pink is a man who loved his sister more than a brother should. The young Scottish baronet is being driven insane by the pressures caused by his sister, who is torn between staying with her brother or returning to her estranged husband. Starring Peter O'Toole, Susannah York and Harry Andrews.

HORROR HOUSE — A group of London Carnaby Street youths hold a party in a haunted house where a series of knifings occurred years before. The fun ends when someone is viciously hacked to death. The kids decide to keep quiet about the incident and try to solve the crime themselves. Starring Frankie Avalon, Mark Wynter and Jill Haworth.

THERE'S A GIRL IN MY SOUP — Peter Sellers plays a TV gourmet with an eye for girls. An accidental encounter with Goldie Hawn, who is having some free love domestic problems, blossoms into unexpected love between the unlikely pair. Sellers' old style methods of chasing down his conquests are met with giggling disdain by the very modern Miss Hawn.

MAROONED — A U. S. space ship misfires during re-entry and its crew is marooned in space. Ground control puts into operation a desperate rescue plan while the world and the astronauts' wives watch and wait. Starring Gregory Peck, Richard Crenna, David Jansen.

THE LAST ESCAPE — THE LAST ESCAPE tells the pulse pounding tale of how a team of American daredevils spirited away a German rocket scientist during the closing days of World War II to prevent his falling into the hands of the advancing Russians. Starring Whitman, Margit Saad.

JOHNNY CASH — He's been poor and he's been down and out and even in jail. The film shows him with the people who make up his world, his wife, his father and his friends, among them Bob Dylan, Carl Perkins and the Tennessee Three. Twenty-four of his most popular songs are featured. Starring Johnny Cash, June Carter.

SOUTHERN STAR — In Africa, during an engagement party for his daughter, Harry Andrews' priceless diamond disappears. The theft leads to an adventure stuffed trip into the jungle as several groups go looking for the stone. Starring George Segal, Ursula Andress, Ian Hendry and Orson Welles.

THE LOST CONTINENT — A Caracus bound freighter carrying illegal cargo, unstable passengers and explosives is blown off course and shipwrecked. The survivors end up in a marsh overgrown with man-eating weeds and supernatural monsters. Starring Eric Porter, Suzanna Leigh and Hildegard Knef.

THEY CALL ME MISTER TIBBS! — Virgil Tibbs, the cool black cop of IN THE HEAT OF THE NIGHT matches wits with a master criminal in his native San Francisco. The high voltage drama details actual methods of scientific police work but it's Vir-

gil's hunch that finally solves the crime. (Parents are especially reminded that this film is not considered suitable entertainment for children or young people.) Also starring Martin Landau and Barbara McNair.

THE BRAIN — Jean Paul Belmondo and David Niven lead rival gangs in an attempt to steal a trainload of currency. Once their elaborate plans are carried out, no one knows for sure who has the money but everyone has fun looking for it. Also starring Eli Wallach. Playing at the Jerboa Cinema.

THE CHEYENNE SOCIAL CLUB — THE CHEYENNE SOCIAL CLUB was probably the most popular place in the west of 1863. Visitors traveled for thousands of miles to share and

sample its wares. When cowboys Jimmy Steward and Henry Fonda inherit this monument of non virtue, they get a handful of gunmen, shoot outs, fist fights and girls. Also starring Shirley Jones. Playing at the Astra Cinema.

CHISUM — The screen's most durable superstar and last year's Academy Award Winner for Best Actor, burns up the west in his latest gut buster which is loaded with gunfire, stampedes, banditry and even historical reality. John Wayne is CHISUM, a cattle king who is more than ready to defend his empire against all comers. Also starring Forrest Tucker, Ben Johnson, and Chris George. Playing at the Astra Cinema.

KEEP COOL — Sharon Simmons, a dependent in the Berlin American Community, is making a return visit to the Observer this week, hoping the weather stays as pleasant as it is. (Photo by SP5 Dave Harmes)

HMMMMMM, I HAD NO IDEA CLUB 50 WAS SO WELL STOCKED — A scene from "There's a Girl in My Soup," starring Goldie Hawn and Peter Sellers, currently playing in the Berlin area.

Deep Purple Performs Tonight; Concert Tickets Still Available

by Judy Pricks

The word is going around that there are still a few tickets to be had for the "Deep Purple" concert at the Deutschlandhalle tonight at 7 p.m. However, you must get them directly from the Deutschlandhalle. The ticket office there opens at 10 a.m. It costs DM 10 for all seats to see and hear "Deep Purple" and "Ashton, Gardner, Dyke and Co.," who are also a part of the pop concert. If you have coupons left from the postponed concert in March, you can use them for partial payment.

While on the subject of pop, put a note on your calendar that "Pink Floyd" is coming to Berlin on June 5. Their sound will be heard in the Sportpalast on DM 9 seats.

Singing Champion

Joe Frazier has traded in his boxing gloves for a guitar and is currently touring Europe with his band, the "Knockouts." If you want to see and hear (Joe sings too) the world champion, come to the Sportpalast this Sunday, May 23. Accompanying Joe and his band is the "Bobby Boyd Congress" band and their "Congress Girl Dancers," who will be the first ladies in hot pants to shake hands with the Governing Mayor at the Rathaus, when Joe Frazier and his troupe will be received there. Anyway, the show goes on at 7 p.m. Tickets cost DM 12-25.

The rough and tough sport of "cross-country" motorcycle racing will be presented by the German Automobile Club at Parks Range in Lichterfelde this Sunday, May 23. The "Moto-Cross," as it is called, has 90 participants already signed up for it, who will begin the action at 10:30 a.m. on Sunday. If you want to spend your Sunday at the races, figure on spending DM 6 for adults and DM 3 for youngsters up to 14 years of age. You can, however, watch the training of the motorcyclists on Saturday at the same place from noon-4 p.m. for only half the price. Tickets at the gate.

Tennis Tourney

Another big sports event, but of a much quieter and refined nature, will excite its fans May 24-31 — the annual International Tennis Tournament of the "Rot-Weiss" tennis club, which delights tennis enthusiasts each year at Whitsuntide (which is next weekend). This year the festival at the Hundekelesee is not "open for all" — the professionals may not play. But the names of

those signed up already promise plenty of good sport in their competition for the "International Championship of Berlin." The "star" will undoubtedly be the Spaniard Manuel Santana. Those who have attended past tournaments will be glad to see the Australian Martin Mulligan again. The entire Davis Cup team for Germany is also scheduled to be there, including Christian Kuhnke and Wilhelm Bungert. Last year's winner of the lady's single, Virginia Wade of England will defend her title and also the German Champion Helga Hoesl has agreed to come. From May 24-31, tennis fans are invited to come and watch. The ticket prices begin at DM 6 and a pass for the entire week comes to DM 60. Depending on the weather, the games are to start at 1 p.m. or 2 p.m.

Latin Dance

Also on that weekend, May 30, another tournament will take place —

a dance tournament for the Amateur World Championship in Latin American dances. This festive tournament, which features not only official dancing competition, but also an entertaining program with many show numbers, will be held in the Deutschlandhalle, beginning at 8 p.m. It will cost between DM 4 and 25 to be there for an evening of dance, music and many glamorous dresses and costumes.

Music of the Balkans and Russia will be heard in the Philharmonie on June 1. The latter will be presented by the mighty voice of Ivan Rebroff and his balalaika ensemble, while the very beautiful Dunja Rajter (who sings as well as she looks) will bring the melodies of the Balkans as guest star of the show.

Unless otherwise stated, you can reserve your tickets at the PX ticket agency for events mentioned above.
